

Compare Department Use Metrics

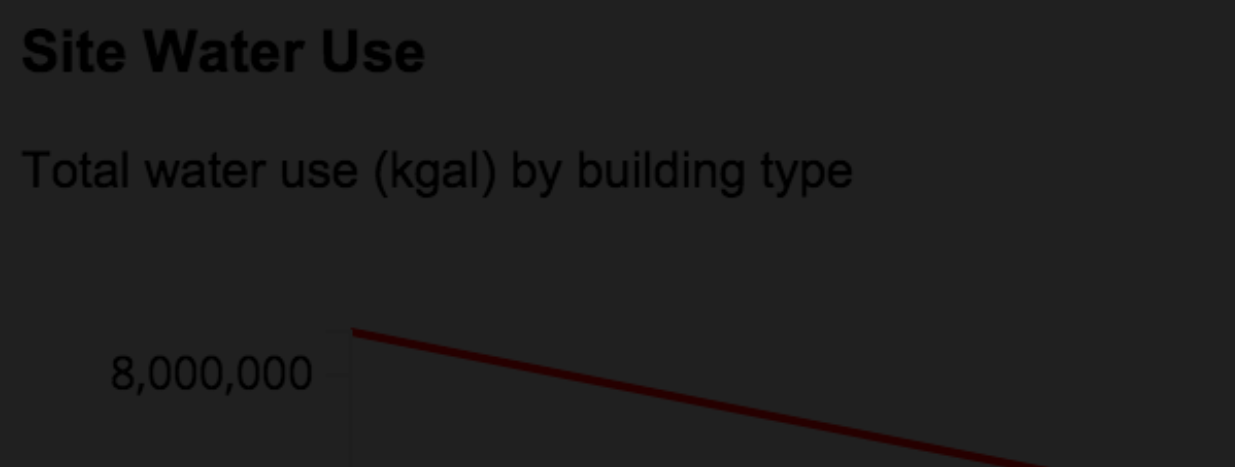

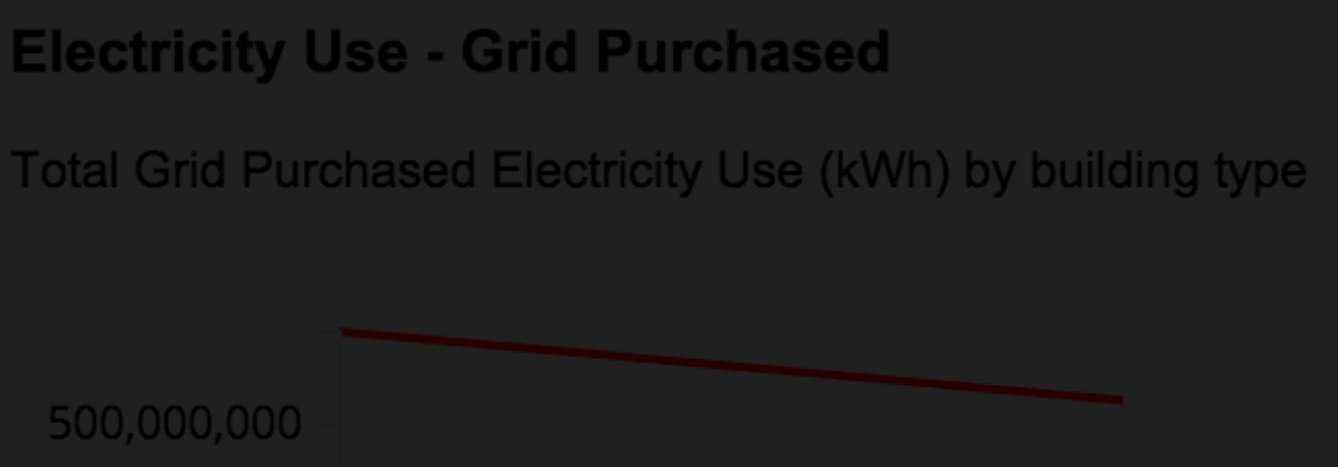

CASBAH

CA Sustainable Buildings Analysis Helper

An interactive dashboard to explore building sustainability metrics

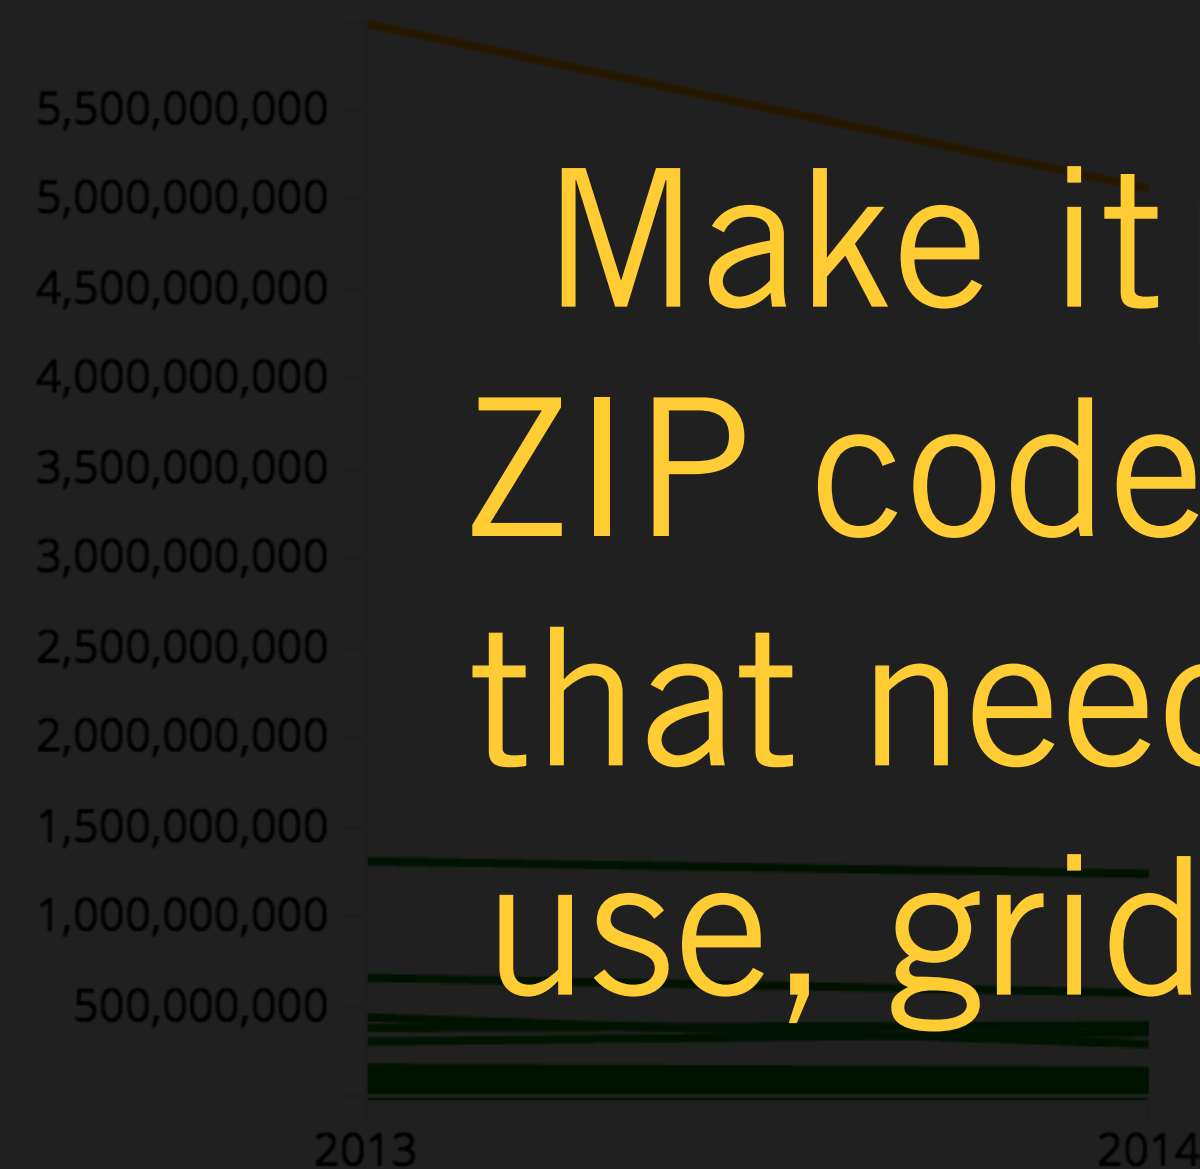

Compare Building Type Use Metrics

Compare Department Use Metrics

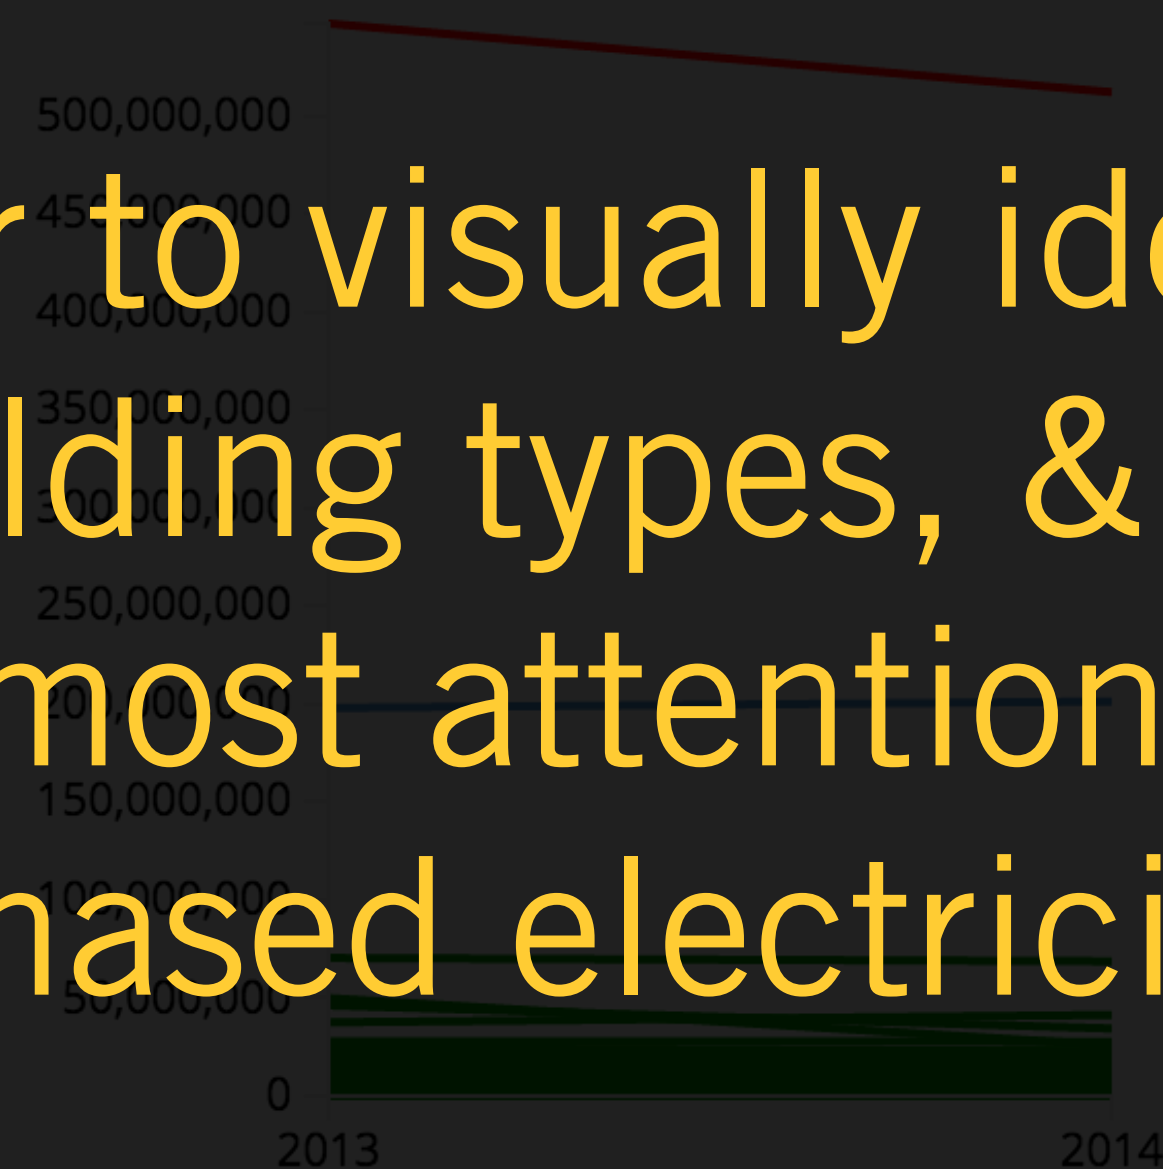

Site Energy Use

Total Site Energy Use (kBtu) by department, 2013 - 2014

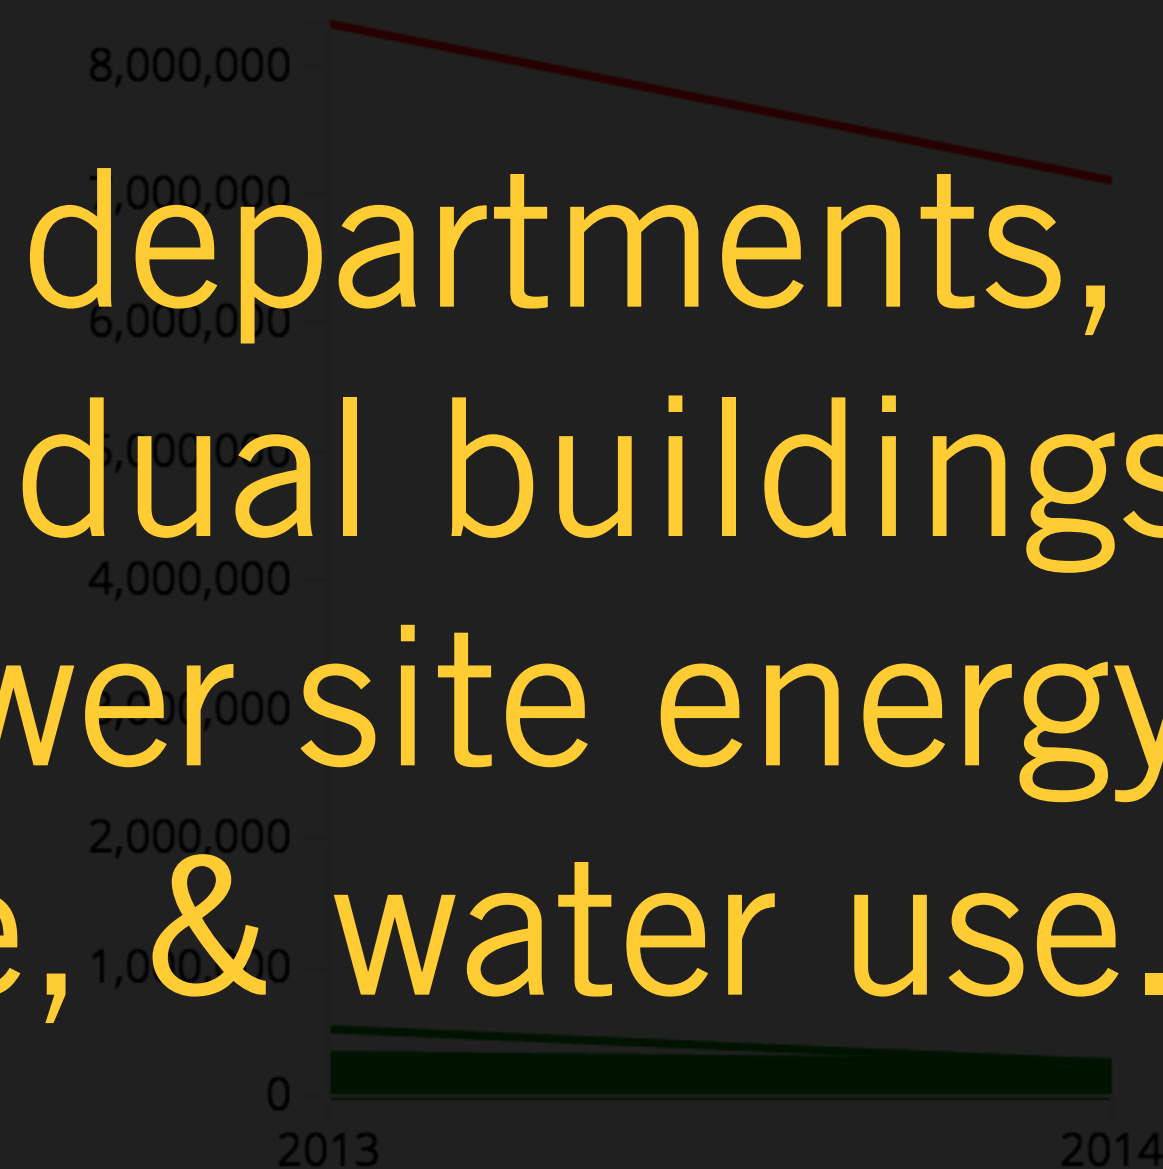

Electricity Use - Grid Purchased

Total Grid Purchased Electricity Use (kWh) by department

Water Use

Total water use (kgal) by department, 2013 - 2014

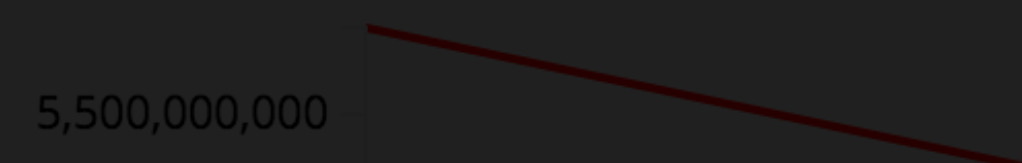

Make it easier to visually identify departments, ZIP codes, building types, & individual buildings that need the most attention to lower site energy use, grid-purchased electricity use, & water use.

Compare Building Type Use Metrics

Site Energy Use

Total Site Energy Use (kBtu) by building type, 2013 - 2014

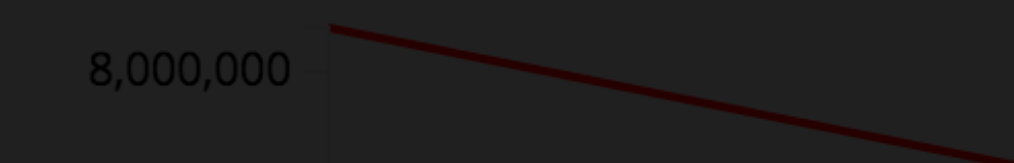

Electricity Use - Grid Purchased

Total Grid Purchased Electricity Use (kWh) by building type

Site Water Use

Total water use (kgal) by building type

Compare Use Metrics for
